Instructions for the guidance for contribution to the Indian Railway Technical Bulletin published by RDSO

Articles are invited from the serving and retired Railway personnel of the Zonal Railways, Railway Institutes and Production Units for publication in Indian Railway Technical Bulletin (IRTB) on:

(i) Technical articles relevant to railway working.
(ii) Reference to Railway-relevant good articles from reputed magazines.
(iii) Short notes on handy gadgets or practical hints on care, maintenance and operation of equipment used in railway working.

About the article:

- Article should normally not exceed 3000 words. Article should begin with a synopsis, both in English & Hindi not exceeding 100 words. Reference should be quoted numerically in a bibliography at the end. Standard or well recognized notations should be used. Personal reference and lengthy quotations should be avoided.

  In case of reference to articles (item ii above), whereabouts of the article (name of magazine, publication month, article's name, author's name), and 2-3 lines about what the article is about and how it is so good - should be sent.

- Author's full name, designation and photograph should be sent.

- **The authors should certify that the articles sent for publication in the Indian Railway Technical Bulletin have not been sent elsewhere for publication.**

- The entire content (article, photograph, certification etc.) should be sent in hard copy to Executive Director/Administration, Research Designs and Standards Organisation, Manak Nagar, Lucknow-226011 as well as in soft copy (editable e.g. .doc as well as non-editable, e.g. .pdf formats) to **e-mail: publicationrdso@gmail.com**

Articles from officials of RDSO should be routed through and approved by the concerned Principal Executive Director/ Executive Director. In case of articles from outside RDSO, they should be duly forwarded by Principal head of department. Retired Railway personnel may send their article directly.

Decision of Executive Director (Administration) regarding selection of article for publication in IRTB shall be final.

Comments and criticism in the form of 'Letters to the Editor' on articles which have appeared in earlier issues of the bulletin are welcome. Suggestions about improving the IRTB are also welcome.
