General Managers
All Indian Railways, Production units & Workshops

Director General, RDSO, Lucknow

General Manager(Const)NF Rly., Guwahati
General Manager, CORE, Allahabad

Director General, NAIR, Vadodara

Sub: **Setting up of Rooftop Solar Plants over IR.**

Ref: **i) Board's letter no. 2012/Elect(G)/150/4/Vol. I dt. 08.09.16.**
ii) Board's letter no. 2012/Elect(G)/150/4/Pt.IV(MBD) dated 15/18.01.2018.

Guidelines for setting up of rooftop solar plants were issued in past vide Board's letters dated 08.09.2016 and 15/18.01.2018 under reference above.

2. In order to expedite further planning, tendering and execution of solar projects across Indian Railways, following has been approved by **Board (M/TRS)**:-

i) Zonal Railways are allowed to take up the work of rooftop solar plants for any capacity through Capex mode or through developer mode based on their requirements.

ii) However, Railways should exclude those stations from their tenders which have been identified for redevelopment work. Solar works pertaining to these stations may be undertaken as per the methodology mandated specifically for station development.

3. The above instructions shall supersede the earlier instructions issued on the subject to the extent they are not in conformity with the above instructions.
