Public Relation Department

Central Organisation for Railway Electrification

The Public Relations Department of Central Organisation for Railway Electrification acts as a communicator to apprise the public about all the activities taking place in the organization through press and social media. It plays an effective role in Projecting the image of the organization and Indian Railways through print and social media. The Public Relations Department informs the print and social media about matters related to developmental, purposeful, informational activities through press releases.

Tender notices and other work-related advertisements are sent through the Public Relations Department. It also advertises tender notices/notifications on social awareness, developmental and purposeful topics and informational topics through newspapers. Exhibitions are also organized to inform the public about the achievements of the CORE and Indian Railways in various fields.

The Public Relations Department also Disposes of Requests and Appeals received through the Centralized Public Grievance Redressal and Monitoring System (CPGRAMS) and the Right to Information Act-2005 (RTI) for public complaints.
