विषय /Sub: System Improvement regarding consignee inspection of items with purchase order more than 5 lacs (the value below which RITES is not conducting inspection).

संदर्भ /Ref: GM/Vig's letter No. CORE/VIG/64(20190101630)/822 dated 19/08/2019

***

In reference to the above, it has been observed that consignee inspection is being resorted to frequently in place of RITES inspection. To ensure that consignee inspection does not become a regular phenomenon the following system improvement is issued for value of items being more than 5 lacs (the value below which RITES is not conducting inspection).

1. Railway Board letter no. 2017/Trans/01/Policy/Pt-S dated 16.08.2018 should be followed (copy enclosed).
2. Wherever consignee inspection is proposed, confirmation from RITES for declining inspection should be obtained.
3. The proposal for consignee inspection should be sent to CORE/HQ by CPD office for approval and nomination of the inspecting official.
4. Inspection should not be diluted and consignee inspection procedure should be at par with that of RITES inspection.
5. The details of records for inspection, receipt and erection of material at site should be maintained both at CORE/HQ and project. The material traceability should be ensured.

Please acknowledge and confirm the implementation of the above system improvement.

DA: as above.
