Press Release

Dated : 16.07.2021

Vendor conference by CORE

A virtual vendor meet is being organized on 23/07/2021 by Centre for Railway Electrification, Prayagraj in collaboration with Confederation of Indian Industries (CII). The timing for this meet has been fixed as 3:30 PM to 5:30 PM. This is being done through the online medium provided by Confederation of Indian Industries (CII). In this meet vendors from every part of the country are joining through online mode. The purpose of this virtual meet is to add new vendors for participation in supply tenders and to provide guidance to vendors in this regard. Increase in the number of vendors will not only ensure procurement of items at right prices but will also result in growth of indigenous industry. This will also help in completion of electrification projects of Railways at a fast pace. Also, this will give force to "Make in India" policy of Government of India. For more information Stores department of Centre for Railway Electrification can be contacted.
