No : CORE/G/PR/010 Pt.XIX

Dated: 08.04.2019

PRESS RELEASE

Member Traction, Railway Board, visited at CORE, Allahabad,

Mr. Ghanshyam Singh, Member Traction, Railway Board, and ex-officio Secretary, Government of India, visited the General Manager, Central Organization For Railway Electrification, Allahabad on 08.04.2019 today and held a review meeting with all officers of CORE and Chief Project Directors of RE projects. Mr. Ratan Lal, General Manager, CORE, welcomed the member traction and thanked Mr Singh to spare time for CORE despite his busy schedule. General Manger congratulated all Chief Project Directors for last year achievement and said that no stone left unturned for achievement of new targets. He has requested guidance and support From Member Traction.

Member Traction reviewed the work of last financial year and congratulated for achievement. He has told that Indian railways has achieved Electrification of 6046 route kilometers which includes 3639 route kilometers electrified by CORE. He has directed to complete balance work of 349 route kilometers of last year till April 2019 and to get CRS inspection done. Sri singh has held detailed discussions with CPDs and CORE officers regarding planning and material management for achievement of 7309 route kilometers electrification target for 2019-20. He has issued guidelines to achieve this target.

Before this, upon his arrival in CORE, member Traction / Railway Board has done the plantation in CORE premises along with General Manager, CORE.

On this occasion, Chief Administrative Officer, Mr. Alok Gupta, head of department of all departments, Chief Project Directors of RE Projects and other officers were present.
