VENDOR MEET-2020 AT CORE

A Vendor Meet was organised by Stores Department of CORE, Allahabad on 31.01.2020 in order to improve the vendor base and encourage letter of Credit mode of payment. Shri Yash Pal Singh, General Manager, CORE and Shri G. Ranjan Kumar, Chief Manager, State Bank of India along with other Railway officers, and representatives of various firms attended the Vendors Meet. In Welcome speech Shri Kamlesh Shukla, Principal Chief Materials Manager said that paper less mode of procurement of material through IREPS and Govt. e- Marketplace (GeM) for common use items has been implemented. He also mentioned that Letter of Credit mode of payment has been introduced in Stores Department.

Shri Yash Pal Singh, General Manager, CORE in his inaugural speech said that target of Railway Electrification has been increased every year. In the last financial year 2018-19, CORE has electrified 3613 Route KM which is best ever achievement in the history of CORE. He emphasised on the timely availability of enhanced demand of materials for the increased target of Railway Electrification for the financial year 2019-20. In the coming year the target will be even more. Therefore, wide vendor base is required for supply of material at competitive price. He further impressed upon the need for payment through Letter of Credit to improve the business prospects of vendors. Chief Manager/State Bank of India elaborated on the payment through Letter of Credit and benefits their off to all stakeholders.
